# PRESIDENT'S MESSAGE

While the Prince George Community Foundation started off our year seeing a strong economy, discussions of our new vital signs report, and developing plans to celebrate the upcoming 25th anniversary year, all plans were drastically changed in March with the Covid-19 pandemic.

We are proud to say the Board and staff came together and was able to swiftly pivot the Foundation's direction accordingly. We identified the need for support for those charities that provide services for our most vulnerable citizens. We took steps to provide one-time special funding totaling \$60,000 to St. Vincent de Paul Food Bank, Salvation Army of Prince George Food Bank and the United Way of Northern BC to help kick-start their COVID-19 relief fund. As well as establishing our own "Emergency Response Fund", through which an additional \$53,000 was distributed.

As the year continued with Covid-19 still being top of mind, the Foundation answered the Community Foundation of Canada's call to action by playing a role in their partnering with the Government of Canada to distribute funds through the "Emergency Community Support Fund". Our staff, along with many of our Regional Partner Foundations, and other Foundations in Northern British Columbia worked hard to ensure the funds were distributed in a representative and collaborative style.

In a year where community agencies of every type are contending with the repercussions of this pandemic, we are proud to announce that this is our largest granting year ever, with a total of over \$850,000 given out through our endowment funds, special flow-through initiatives, and grants disbursed by our Regional Partners, bringing our grant total since inception to over \$3.3 million!

While this year wasn't what we were expecting going in, our fund holders and donors rose to the occasion in the true spirit of giving and the results have been amazing. This truly is a good news story in an otherwise frightful year, proving... *we are stronger together!*

**Alain LeFebvre**  
Board President

*The Foundation respectfully acknowledges that we are on the traditional and unceded territory of the Lheidli-T'enneh*

# ALL FOR OUR COMMUNITY

We, the Prince George Community Foundation, are passionate about our community and are entrusted with its future, a responsibility we take to heart.

Our goal is to build a resilient, healthy, philanthropic community and we aim to achieve this through our three strategic goals:

**1** *the development of a sustainably managed endowment*

**2** *strategic grant giving to projects that make an impact to our community*

**3** *demonstrating community leadership*

Established in 1995, the Prince George Community Foundation manages charitable gifts from donors whose generosity allows us to create permanent income-earning funds.

The proceeds from these funds are distributed as grants to charitable organizations throughout our community. To date, we have granted more than \$3.3 million to registered charities within our community.

## Our Key Areas of Support

The Community Foundation brings together people who care about their community. The original vision for the Foundation was imagined by a group of passionate community leaders and that mandate is carried on today by our board of directors, our lifetime and honorary members, volunteers and staff team.

The Foundation hosts several engagement events each year and this past year was no exception even though they looked slightly different. This year's events included:

- FARR/WIC Golf Tournament
- Prince George Cougar's 50/50 Mega Jackpot
- Fall 2019/Spring 2020 Grants & Income Distribution
- Vital Conversation
- Stay at Home Gala

# SUPPORTING OUR COMMUNITY THROUGH COVID-19

This past year was unprecedented in numerous ways as the world faced the global COVID-19 pandemic. The Prince George Community Foundation is pleased to have been able to play an important part in helping to support our community and region in recovery efforts for our areas most vulnerable during this time.

In April, the Foundation provided \$60,000 in special one-time emergency response funding to immediately provide relief to residents in our community. These funds went to:

- St. Vincent de Paul - Food Bank
- Salvation Army of Prince George - Food Bank
- United Way of Northern British Columbia - COVID 19 Relief Fund

Because of the strength of the Foundation's Endowment we were pleased to be in a position to immediately grant these dollars out to those most in need.

The Prince George Community Foundation, along with 21 other Community Foundation's participated in a virtual Stay at Home Gala May 2, 2020 where \$52,354.41 was raised to help provide further relief to charities in Prince George through our newly created Emergency Response Fund. These funds were distributed to 10 different registered charities in Prince George, providing much needed funding in gaps created by the pandemic.

Through the Foundation's partnership with Community Foundations of Canada, working with the Federal Government, we were entrusted to disburse funds from the Emergency Community Support Fund to 13 different communities in Northern BC & the Cariboo. During the summer we distributed an additional \$294,495 in funding throughout our Region to assist charities serving vulnerable populations disproportionately impacted by the Covid-19 pandemic.

The Foundation is honoured that we can play such a vital role in our community. Thank you to all of our sponsors, donors, partners, and supporters who continue to support the work of the Foundation.

Your generosity has allowed us to continue to provide stability in times of great upheaval, and for that we are grateful.

# PGCF CELEBRATES 25 YEARS

The Foundation is excited to announce our 25th Anniversary during 2020-2021! We look forward to honoring the foresight of our Founders in their creation of the Community Foundation. Now - 25 years later - we are pleased to announce that we have granted back over \$3.3 million into the community and region.

Follow the Foundation on Facebook, Instagram, LinkedIn and our website to stay up to date on our 25th anniversary plans.

We look forward to celebrating with you!

Anne Laughlin and Ted Price did it again! Their 6th annual production shattered last year's record breaking total by raising \$106,265.04. All proceeds went into the "Children of Prince George" Fund held by the Foundation. We are grateful to Miracle Theatre and all of the sponsors, donors and patrons who made this such a huge success.

# FARR/WIC GOLF TOURNAMENT

The Foundation was thrilled to be able to host the 20th Annual FARR/WIC Two-Ball Golf Tournament this past September long weekend. Although the number of participants was significantly reduced due to Provincial Health Authority orders, the Prince George Golf and Curling Club did a tremendous job with putting on a safe, successful and fun event!

The Foundation would like to thank the Prince George Golf and Curling Club, FARR Installations, Western Industrial Contractors, the participants, tournament committee members, volunteers, and sponsors for helping to make this another successful event. Congratulations to the overall tournament winners: Blair Scott & Tyler Robertson.

The Crisis Prevention Centre received \$7,500 to host critical

workshops around health, well-being and suicide prevention in SD57 for students in Grades 5, 6 and 7 entitled COPE. COPE stands for Communication, Options, Perspective, and Enjoy Life.

RBC Future Launch is a commitment by RBC and RBC Foundation to empower Canadian youth for the jobs of tomorrow. Over the

next 10 years, RBC Future Launch is dedicating \$500 million to help young people access meaningful employment through practical work experience, skills development opportunities, networking solutions and mental well-being supports and services.

# STAY AT HOME GALA

## A night to connect, unite, and build Community

Uniting people from all over our community, region and our beautiful country. The one-night event aimed to strengthen community efforts that manage the effects of the COVID-19 virus.

Physical distancing at its finest, the first-of-its-kind event hosted all the familiar elements: dinner (delivered to your door by Twisted Cork restaurant), game-changing speakers, entertainers, musicians, and much more.

Locally, Catherine Hansen and Kyle Sampson kept the evening moving as dynamic hosts. The evening was made even more special with guests including Will Stroet of Will's Jams - Juno-nominated CBC Kids performer, a cocktail lesson from Northern Lights Estate Winery, a musical performance by Keith David and Jeni Rae and appearances by Cougar's alum Brett Connelly, Eric Brewer and Dan Hamhuis to name just a few.

More than 20 communities participated in this cross-country virtual gala event on Saturday, May 2nd, 2020. The national line-up included the likes of Andre Picard - health writer and columnist with the Globe and Mail, dynamic musical group Once a Tree, music sensation Barney Bentall and so much more.

The first ever Stay-at-Home-Gala was a night to remember, and the Foundation was overwhelmed by the generosity of the community

for its Emergency Response Fund, formed to help those registered charities in Prince George in response to COVID-19, with a total of \$52,354.41 raised during the one-night gala event.

Thank you to everyone who participated in the virtual gala and supported the Community Foundation in our response efforts.

# SUPPORTING COMMUNITY DRIVEN PROJECTS

Charities play a vital role in our community and are instrumental in our quality of life. From arts and culture to the alleviation of poverty, it is impossible to imagine a flourishing community without the passion and impact of hundreds of community agencies. In many cases, it's our charities that support our most vulnerable citizens, and it's our

charities that draw attention to inequities and call for new and innovative programming.

We are honored to be able to support such community driven projects through our grant programs each year.
